Прочитайте интервью Ричарда и будьте готовы выполнить задания ниже:

**Richard:** I usually work in England but sometimes I work abroad too. When I'm not working I like going to the cinema and eating in nice restaurants. I'm not very sporty and I don't do any exercise, but I don't smoke. I think I'm open and friendly - I get on well with most people - but I'm sometimes quite shy too. For example, I don't like going to parties. I prefer to meet friends individually or in small groups. I like intelligent, funny girls who make me laugh, and ideally who love music. Physically I prefer girls with dark hair who are not taller than me. And I like girls who are good listeners.

I'm sure that my friend Danny knows me better than my family because we often talk about girlfriends and the problems we have. I don't usually talk to my family about this kind of thing. My mum always says that I look for the wrong girl but that's what mothers always say!

**Задание.** Отметьте верные (T) и неверные (F) предложения. Ответы запишите в лист ответов (Answer sheet).

- 1 He sometimes travels with his job. T +
- 2 He's friendly and extrovert. T +

- 3 He likes music and parties. **F +**  
 4 He prefers girls who are shorter than him. **T +**  
 5 He likes girls who talk a lot. **F +**  
 6 He doesn't talk to his family about girls. **T +**  
 7 His mother doesn't think he's good at choosing girlfriends. **T +**
