Прочитайте интервью Ричарда и будьте готовы выполнить задания ниже:

Richard: I usually work in England but sometimes I work abroad too. When I'm not working I like going to the cinema and eating in nice restaurants. I'm not very sporty and I don't do any exercise, but I don't smoke. I think I'm open and friendly - I get on well with most people - but I'm sometimes quite shy too. For example, I don't like going to parties. I prefer to meet friends individually or in small groups.

I like intelligent, funny girls who make me laugh, and ideally who love music. Physically I prefer girls with dark hair who are not taller than me. And I like girls who are good listeners.

I'm sure that my friend Danny knows me better than my family because we often talk about girlfriends and the problems we have. I don't usually talk to my family about this kind of thing. My mum always says that I look for the wrong girl but

that's what mothers always say!
